Prevent cheating during online tests

Respondus Monitor

Webcam security for online testing

StudyMate

Self-assessments & learning activities

Respondus Test Bank Network

Ready-to-use publisher test banks

Respondus 4.0

Used by over 3,000 institutions worldwide, Respondus 4.0 is a powerful tool for creating and managing assessments. Whether you are a veteran of online testing or new to it, Respondus saves hours on each project.

- Import exams from Word, including images, equations, and tables
- Access thousands of ready-to-use test banks (free!) from dozens of leading publishers
- Publish assessments directly to an online course, or print to paper
- Migrate assessments from one learning system to another

Integrates with: ANGEL®, Blackboard Learn™, Canvas, Desire2Learn®, Moodle®, Pearson LearningStudio

 **Download a free 30-day trial**

StudyMate

StudyMate helps students “master the basics” of course material through the use of learning activities, self-assessments, and games. The StudyMate product line enables instructors to choose the approach and technology that best meets their objectives.

- Twelve learning activities and games (flash cards, crosswords, self-quizzes, and more) allow students to learn in an individualized way
- Create items with simple templates, or import from existing files (Respondus 4, Word, QTI, test banks)
- Collaboration and peer review features make course content engaging and interactive
- Student participation can be monitored and graded; scores are automatically saved to the learning system’s gradebook
- Activities and games are additionally compatible with Android and iOS devices

Integrates with: ANGEL, Blackboard Learn, Canvas, Desire2Learn, Moodle, Pearson LearningStudio, SAKAI

 **Request a free 3-month pilot**

RESPONDUS® Test Bank Network

The Respondus Test Bank Network contains thousands of test banks for the leading textbooks in higher education. The Respondus Test Bank Network is free to instructors who use Respondus 4.0 or StudyMate, and who adopt a participating textbook. There is no quicker or easier way to create online assessments and learning activities from official publisher test banks.

Respondus LockDown Browser

LockDown Browser is a custom browser that locks down the examination environment in online courses. It's ideal for **proctored** assessments.

- Prevents access to other applications and websites during an exam
- Students cannot copy or print exam content
- Assessments are displayed full-screen and cannot be minimized
- Students are locked into the exam until it is submitted for grading

Integrates with: ANGEL, Blackboard Learn, Canvas, Desire2Learn, Moodle, SAKAI

 **Request a free 2-month pilot**

Respondus Monitor

Respondus Monitor integrates webcam technology with LockDown Browser to create an essential layer of security for **non-proctored** assessments.

- Students use their own computer and webcam with LockDown Browser
- The student and the surrounding environment are recorded during the exam
- Instructors can quickly review details of the assessment, even the recorded videos
- Provides the most cost-effective, scalable solution for exam integrity

Integrates with: Blackboard Learn, Canvas, Desire2Learn, Moodle

 **Request a free 2-month pilot**

"If we didn't have Respondus LockDown Browser, we wouldn't have online testing in the School of Nursing. It's as simple as that."

Anita Kinser Maradiaga
Riverside City College

"With Respondus Monitor, I have peace of mind that the right person is taking the test. It works exceptionally well with our LMS, and gives me the flexibility and control I need for online tests."

Derrick Griffey
Gadsden State Community College

"I can't tell you how many hours of work Respondus has saved me, but it is certainly in the hundreds. Thank you!"

Jon Lenrow
Peirce College

"Our online programs are growing rapidly. With accrediting bodies placing increased emphasis on exam integrity, we decided to try LockDown Browser and Respondus Monitor. We're quite pleased with the results. Online students can be held to the same standard as face-to-face students, and faculty can focus on the course content instead of test security."

Rebecca Schkade
Angelo State University

"Faculty found StudyMate easy to use. The mobile features are a hit with students."

Hong Wang
Fort Hays State University

"I really enjoyed using Respondus in conjunction with a testbank I received from a publisher. It saved me hours of time and effort on each test...Thanks for making our teaching lives easier."

John Blackwell
Douglas College
