Video planning checklist

What’s your **one big idea**?

What three key points support your one big idea?

What software do you plan to use?

I hope that my video will ______________

Are you protecting student privacy?
Invest in audio
What’s that behind you?
Setting up your shot
"eye" contact
Ambient noise
Ambient noise
...or not to script...
To script...or not to script...

Definitely: Write a detailed outline
Perhaps: Write a script
Don’t be afraid to: Go off script
How do I record/edit?

Lightweight Class

SnagIt

Screencast-o-matic

Canvas Studio
How do I record/edit?

Middleweight Class

VoiceThread  Camtasia  Panopto
How do I record/edit?
